

At True Service Inc. We operate as Ministers of reconciliation proclaiming the good news of the Gospel of Jesus Christ.

Our Power and ability and sufficiency are from God who has qualified us as minister and dispensers of a new covenant of salvation through Christ.

"Truly I tell you,
whatever you did
for one of the least
of these brothers
and sisters
of mine,
you did for me."
-Jesus

Welcome All Faith Based Collaborators

If you know of someone who could benefit in "Restoration" Contact Us.

True Service Inc.

Services are available statewide.

Reaching Out to Others

The Power of ONE Requires Unity in the Faith for True Service Inc. and its members.

The collaboration is designed to function within groups for **Healing Communities** and **Restorative Justice** challenges. Everyone has something to contribute to serve.

What about you?

Our Core Values

Collaboration, Stewardship, Servanthood, Integrity, & Humanity

These experiences cohesively give us qualities that are important in leadership, which enables the multidisciplinary areas of Restorative Justice collaboration to work successfully.

If you are interested in the process of how this collaboration works, and leadership functions within the groups? Contact us.

True Service Inc. Mission is to foster a collaborating network by, *Reaching Out to Others* both individuals and families experiencing crisis situations affected by crime, incarceration, reintegration, and family reunification for the empowerment and restoration of people with broken relationships first to God, family, and community.

Our Vision: is to redefine the view on family reunification and rehabilitation services.

Our organization is established to help better serve individuals, families, and communities who have encountered crises and need a confidential Christian Worldview practice regarding those situations.

The use of: leadership, multidisciplinary-based collaborations, emerging infrastructures, and continual networking is necessary for any community service organization with rebuilding our communities. With Healing Communities efforts, the broken hearted can be restored one step at a time.

Collaboration Requirements:

- Must have support and value The Christian World Views of this organization.
- All team members want to work together towards a common goal.
- Is based on a sense that all participants are valued?
- Embraces the unique perspectives of all team members.
- Is based on a strong sense of purpose?
- Requires trust and a sense of shared responsibility.

Welcome Faith Based Collaborators

Joining together to establish an integrated collaboration services model is a viable approach for many communities and education, health, and human service providers in the present political, economic, and social climates.

Collaboration and overseeing organizational functions have been recognized for several years and been proven to work.

True Service offers a comprehensive guide to Faith-based organizations to collaborate for a Healing Community.

True Service Inc. is a 501©3 Non-Profit organization and this pamphlet is paid for by its the partners.
